

Self Registration

Users can self-register at the logon page by clicking on the link 'Create new account' on the logon page.

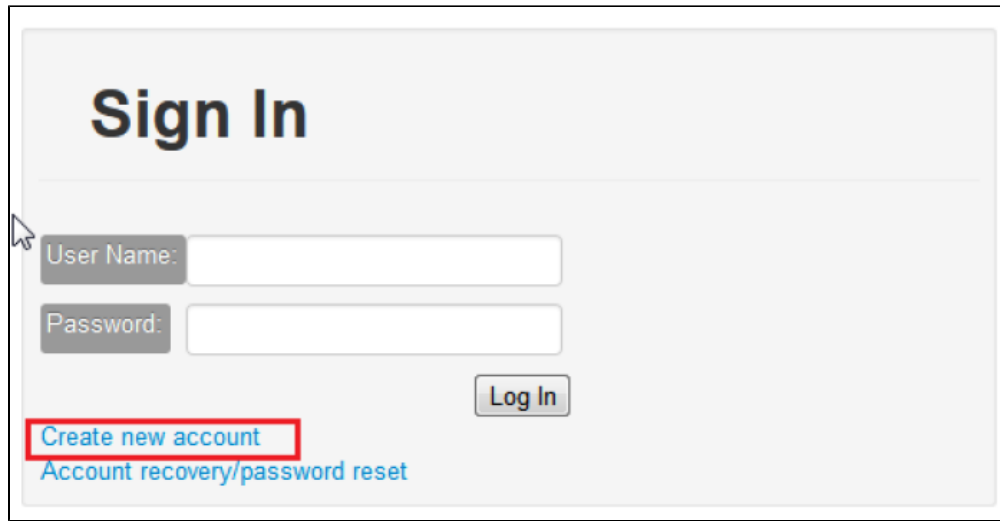

A screenshot of a 'Sign In' form. The form has a light gray background. At the top, the text 'Sign In' is displayed in a large, bold, dark blue font. Below this, there are two input fields: 'User Name:' and 'Password:'. Each label is in a small, dark gray box to the left of a white input field. To the right of the 'Password:' field is a 'Log In' button with a dark gray background and white text. Below the 'Log In' button, there is a link 'Create new account' in blue text, which is highlighted with a red rectangular border. Below this link is another link 'Account recovery/password reset' in a smaller, lighter blue font. A mouse cursor is visible pointing at the 'User Name:' input field.

Figure 20: Create New Account Link

This will open a new window where you are prompted to enter our personal and organisational information. A MyPEN account will be created automatically for you if you complete the form.

This account will have to be confirmed by our support team to confirm your organisation details before your account becomes fully activated. Before this time, you will be able to log in and update your personal details at any time, but will not have access to any PEN products. Our support team will fully activate your account within 2 business days.

Register new MyPEN account

Please provide your personal and organisation details. A MyPEN account will be created automatically for you, however, our support team will need to confirm your Organisation details before your account becomes fully activated. Before this time, you will be able to log in and update your personal details at any time, but will not have access to any PEN products. Our support team will fully activate your account within 2 business days.
