

Starting CAT4

Once the CAT4 software has been installed it is available from your Programs List and as a short cut on the desktop. Click the Desktop Shortcut to start the program.

OR

- Click Start > All Programs > Pen Computer Systems > Pen CS clinical Audit Tool 4
- This will load the login screen
- Enter your Username and Password and click 'Login'
- This will load the dashboard, allowing you to choose different views and other functionality. Please refer to the quick reference guide CAT4 Dashboard for full details

The login screen for CAT4 has a blue background. On the left, there is a large white circle with a yellow '4' inside, followed by the text 'CAT 4' in white. On the right, there is a white square with a blue 'P' inside, followed by the text 'PenCS' in white. Below the 'CAT 4' logo, there are two input fields: the first contains the text 'Matthias' and the second contains the text 'Password'. Below the input fields, there is a link that says 'Forgot your password?'. At the bottom left, there are two buttons: a grey button labeled 'LOGIN' and a blue button labeled 'CANCEL'. On the right side, there is a large, faint blue '4' in the background. Overlaid on this '4' is the text 'Need Support?' in white, followed by 'FREECALL 1800 762 993' in white, and 'www.pencs.com.au' in white. Below this, there is a link that says 'Remote Support' in white. At the bottom right, there is a link that says 'Version: 4.0.3.0' in white.
