

Clearing Report Selections

To clear the Report Chart Segments you have selected click the 'Clear Filters' button at the top right hand corner of the CAT4 screen. The 'Clear Filters' dialogue box will appear.

The 'Clear all Report Selections' tick box will be pre-selected if report segment selections have been made. Click 'OK'.

A screenshot of a 'Clear Filters' dialogue box. The box has a title bar and contains the text 'Please tick which selections you want to clear'. Below this text are two checkboxes, both of which are checked. The first checkbox is labeled 'Clear all Filter Selections' and the second is labeled 'Clear all Report Selections'. At the bottom of the box are two buttons: 'OK' and 'Cancel'. The 'Cancel' button is highlighted with a blue border.

Please tick which selections you want to clear

☒ Clear all Filter Selections

☒ Clear all Report Selections

OK Cancel
