

SHS Uploads by PIP Quarterly Period

This report shows the number of patients seen and the number of SHS uploads in each PIP quarter.

The Standardised Whole Patient Equivalent (SWPE) needs to be entered manually to show on the graph as a red line. To enter the SWPE click on the 'Enter SWPE' button. This will show the Enter SWPE window where you can enter the numbers for the last 4 quarters. This will then calculate the minimum uploads for your practice in the 'Minimum Target' column for each quarter.

The 'Enter SWPE' window displays a table with the following data:

PIP Quarterly Period	SWPE	Minimum Target
Feb-Apr 2018	8000	40
Nov-Jan 2018	8000	40
Aug-Oct 2017	7500	37
May-Jul 2017	7500	37

A 'Save' button is located at the bottom right of the window.

SWPE numbers can be changed and will be saved when CAT4 is closed.
