SHS Uploads

This graph will show patients that have a SHS (the number will match that on the My Health Record and SHS graph) and, of that group, the number of times the SHS has been uploaded.
The Date Range (Results) filter can be used to find SHS's that have been last uploaded in a timeframe and will display the number of times in that timeframe.
Patients will only appear in the 'no SHS upload' category if their last upload date is outside the date range selected. If there is no date range filter applied this category will be empty.
