

Managing Channels and Notifications

Notifications

A listing that displays all invites from other organisations and requests to join your channels by other organisations

Each notification in the listing will display the following info:

- Description of the notification.
 - For example:
 - organisation A wants to join Channel A
 - organisation B invites you to join Channel ABC

The screenshot shows the PAT CAT Network interface. At the top is a dark blue header with the text 'PAT CAT Network' and a close button (X). Below the header is a navigation bar with two tabs: 'My Channels' and 'Join Channel'. Under 'Join Channel', there is a '+ Create Channel' button. Below this is another navigation bar with five tabs: 'Notifications' (highlighted with a red box), 'Subscribed', 'My Channels', 'Invites', and 'Join Requests'. Below the tabs is a 'Refresh List' button. The main content area is titled 'Notifications' and contains a table with three rows. Each row shows a notification from 'PHN B' inviting the user to join a channel, with options to '+ Accept Invite' or 'x Decline Invite'.

Notifications	
PHN B invites you to join the channel: again	<button>+ Accept Invite</button> <button>x Decline Invite</button>
PHN B invites you to join the channel: again	<button>+ Accept Invite</button> <button>x Decline Invite</button>
PHN B invites you to join the channel: test	<button>+ Accept Invite</button> <button>x Decline Invite</button>

You can accept or decline an invite.

Subscribed

A listing that displays all the channels the organisation is subscribed to.

Each item in the listing will display the following info:

- Channel Name
- Members (other subscribed organisations)
- The owner of the channel
- Ability to Unsubscribe
- Ability to Connect

Unsubscribing to a channel that the organisation owns, will require the organisation to select a new owner.

Organisations can connect to a channel by clicking on the "Connect" button. When connected, the Connect button will become "Disconnect". The PAT CAT Filter section will change.

- The filter section will display the current connected Channel.
- Shows button to disconnect
- Shows button to Change Channel
- The filter section will only display a list of filters that the organisation has participated for the currently connected organisation
 - Each filter will display the filter name, description and button to select the filter

Invites

The invites tab shows all invites you have created and allows to remove invites if required. Details on how to create an invite see here: [Inviting an organisation to join a Channel](#)

Join Requests

When an organisations is interested in joining one or more of your public channels, the join request will be displayed here.
